Celebrating the Year of the Eggheads

The *UC Davis Eggheads* is a popular art series made up of five bronze sculptures — *Bookhead*, *Eye on Mrak (Fatal Laff)*, *Stargazer*, *Yin & Yang*, and *See No Evil/Hear No Evil*. They were created by renowned artist and late UC Davis professor Robert Arneson and installed on campus between 1991 and 1994.

On April 1, 2024, UC Davis launched the “Year

of the Eggheads” (ending April 2025). It not only celebrates Arneson’s Eggheads but also encourages learning about all the art and artists of UC Davis. Look for the Arneson Egghead Collection of licensed products including limited-edition apparel, accessories and more. And make some time in your busy schedule to enjoy all the culture our university has to offer.
